# 2025 *National Summit*

Independent Sector's National Summit is the only event that unites the entire charitable sector, building the collective power of nonprofits, foundations, and corporate giving programs to improve lives and strengthen communities.

Join more than 1,000 leading voices from across the country in one place to connect, learn, and mobilize their organizations to serve more people and do more good. Together, we can create a stronger sector and a more equitable, inclusive, and just nation.

Summit attendees are decision-makers, thought leaders, and catalysts for change. Over the course of three days, you'll explore workshops, main stage presentations, community dinners, site visits, and networking events.

You'll learn about new, state-of-the-sector data and approaches. You'll also exchange ideas and set cross-sector priorities with other leaders, and leave feeling reenergized and equipped to take action.

Join us to feel the power of what we can accomplish together.
